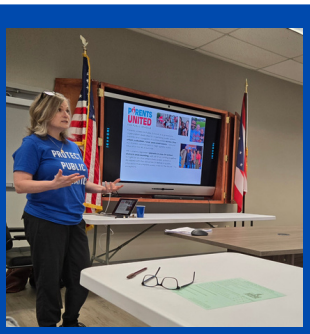
Clinton County Democratic Party News

It has been a little while since our last newsletter—and we've been busy! Over the past several months, the Clinton County Democratic Party has been working to build stronger connections throughout our community, create opportunities for people to learn and engage, and lay the groundwork for an active and welcoming local party. From community forums and candidate visits to opening our new headquarters and offering volunteer training, there has been a lot happening—and we wanted to take a moment to catch you up!



Community Forums

One of the things we've been especially excited about is our Community Forum series. These events are designed to give community members an opportunity to learn more about important issues, ask questions, and have thoughtful conversations with one another.

We've covered topics including public school funding and Social Security, with more forums on the way.

Our New Headquarters

We have a new home! Our Clinton County Democratic Party headquarters is now located at 120 W. Main Street in Wilmington. This space gives us a place to meet, organize, connect with community members, and build the local party together. We are incredibly grateful to the community members who helped make the space possible through in-kind donations and support. There is still plenty to do, though—and we would love your help as we continue getting the headquarters organized and establishing regular opportunities for members and volunteers to be involved. Cindy Beckett has taken on the task of organizing volunteers for HQ. She can be reached at cindybeckett99@gmail.com or (937) 901-0582.

Connecting with Candidates

We've also had the opportunity to welcome several guests to Clinton County, including David Pepper and Congressman Greg Landsman. These visits provide opportunities for local Democrats and community members to meet with candidates and leaders, hear directly from them, and build connections right here in Clinton County.

Amy Acton Volunteers

We've recently held volunteer training with Amy Acton, with more training opportunities coming up. Whether you have a few hours to give, a particular skill you'd like to share, or simply want to learn more about how you can help, there's a place for you.

Slate Cards

As we head toward the November election, we'll also have CCDP slate cards available with information about Democratic candidates and Ballot Issues.

Yard Signs

Stop in at Head Quarters to pick up yard signs supporting your favorite candidates!

Thank You for Being Part of Clinton County Democrats

Whether you've attended a forum, joined us for Blue Hour, volunteered your time, donated, stopped by headquarters, or simply stayed connected with us, thank you. Building a strong local Democratic Party takes all of us. We're excited about what we're building here in Clinton County—and we hope you'll be part of it. Stay connected. Stay involved. And we'll see you around the county!
